Dear Sir:

I realize that you are a very busy man so I probably won't write to you any more — except if I have a big question that I need answered.

In your last letter we discussed the James Altgens picture and you said that I could obtain a large copy in an original edition of Whitewash II. You said I could purchase a copy for a price I thought was fair. Since I need the book no later than January 19, 1968, I am enclosing the money I have saved up until this time. I am sending you $2.50 plus 25 cents for postage and handling (envelope enclosed). As soon as I save up the rest, I will send it to you.

You instructed me to take the picture out very carefully or I ~~would~~ would tear it. I wouldn't want to take the chance of tearing it (I don't trust myself) so would you remove it? Also would you autograph it?

Concerning Photographic Whitewash:

Has it been released yet? In paperback? At what price (95¢?)?

I appreciate your offer on your book and the time you take to answer my letters.

Sincerely,

Dave Roberts.

P.S. Time and time again, I have heard people say that you can recite the 26 volumes of the Warren Report by heart. How long did it take you? Did you use any certain method?
